

Pro Series Compound Action Pliers

Crescent® offers you three new Pro Series Compound Action Pliers for heavy duty applications.

Product features and advantages:

- Compound leverage design that increases cutting power by 50%
- Chrome vanadium steel for increased durability
- Co-molded grips for added comfort
- Heat treated joint rivet for smooth and consistent operation
- Induction hardened edges for long cutting life
- Self-opening
- 1/3 lighter than standard pliers, reduces fatigue
